WHEREAS the assessment cycle is an essential process for maintaining the fairness and predictability of property taxes in our province and;

WHEREAS the pause in the reassessment cycle has created uncertainty and instability in property taxation, impacting both residential and commercial property owners and;

WHEREAS the government has delayed an assessment update again in 2024, resulting in Ontario's municipalities continuing to calculate property taxes using 2016 property values and;

WHEREAS both current and outdated assessments are inaccurate, increase volatility, and are not transparent and;

WHEREAS frequent and accurate reassessments are necessary to stabilize properly taxes and provide predictability for property owners, residents, and businesses alike and;

WHEREAS the staff at the Municipal Property Assessment Corporation would benefit from further skills enhancement and training in assessments, recognizing the importance of ensuring accurate evaluations for 100% of our municipality and;

WHEREAS the Government has announced a review of the property assessment and taxation system with a focus on fairness, equity, and economic competitiveness, and therefore further deferring new property assessment and;

NOW THEREFORE BE IT RESOLVED THAT the Council of the Corporation of the Township of North Glengarry hereby calls upon the Premier to promptly resume the assessment cycle to ensure the stability and predictability of property taxes while the Government conducts its review of the property assessment and taxation system, or respond with an alternative method for every municipality in Ontario to achieve fair taxation and:
