Subject: Notice of Application

Hello.

I recieved a notice of application(Severance) for a lot on Big Rock Road , Francis Lake.

I just had a couple questions hopefully someone can assist me with

1. It mentions lots 23 & 24 Concession 14 as well as part lot 24 concession 14
2. I'm not aware of our own lot number, but our address is 124 Big Rock Road
[3.it](#) appears severed lot 1(high lited in red) could be the lot being discussed to ours?
4. We're just wondering if that's the case,and the application is for a "change" in lots dimensions from the larger "retained lot" ?
- 5.would it involve the "retained lot", andwhomever owns that parcel from being developed?

Thank You for you
