Township of Georgian Bluffs

# Application for Amendment to the Zoning By-Law

- **Pre-consultation** is required **prior** to the submission of applications for a Zoning By-law Amendment or Re-zoning.
- The Amendment process will not commence until a complete application is received.
- Incomplete applications will be returned to the Applicant.
- The Application will be filed with the Planning Office of the Township of Georgian Bluffs. A copy may be returned to the Applicant for their records.
- An accurate sketch or map is required. All measurements must be shown in metric units. Hard and Digital Copy Must be Provided.
- Please type or print the information clearly on this legal document. For assistance in filling out this application, contact the Township Planning Department. A Commissioner is usually available at the Municipal Office, please call ahead.
- A complete application must include a Justification Report, the complexity of the report will depend upon the proposal, it is not intended to replace detailed engineering or environmental reports. Reports must be provided in digital format.
- Planning application fees are required when the application is submitted.
- Grey Sauble Conservation Authority review fees are required when the application is submitted.

I/We hereby submit this application for an Amendment to the Township of Georgian Bluffs Zoning Bylaw, in respect of the lands hereinafter described.

## Declaration:

I/We <u>, Ron Davidson</u>	of the <u>City</u>	of Owen Sound	
in the County	of Grey		do solemnly declare:

- a) that I/We am/are the registered owner(s)/the authorized agent of the registered owner(s) of the lands hereinafter described (as per written verification attached).
- b) that, to the best of my/our knowledge and belief, all the information and statements given in this application and in all the exhibits transmitted herewith are true and accurate.
- c) it is understood and agreed that it will be my/our responsibility to reimburse the Township of Georgian Bluffs for any further costs, above any applicable fees already paid, incurred and charged to the Municipality in connection with the application (i.e. LPAT hearing, Legal or Engineering fees).
- d) that I/We hereby authorize municipal planning staff and the municipality's agents to enter the property for the purposes of performing inspections and gathering information, without further notice, related to the processing of this application.

Declared before me at the <u>City</u>		of Owen Sound	in

watercourses, drainage, well, septic fields, hydro lines etc.)

 $\Box$  The use of adjoining lands.

The location, name and status of roads (opened, unopened, private, seasonal

19. A complete application may be required to include one or more of the following:

# □Planning Justification Report

This is required for <u>all</u> applications. Depending upon the complexity of the proposal, these shall be prepared by the property owner or a qualified professional addressing the principles and objectives of the Official Plan and the Provincial Policy Statement, how the proposal meets the intent of the Zoning By-law and the details of the proposal clearly compared to existing provisions and proposed amendments. A summary of information on environmental issues and an engineer's reports may also be included or other matters depending on the proposal. (2 copies to be submitted)

# Conceptual Site Plan Layout

Showing all proposed building envelopes, driveways, parking, landscaping, existing structures, sewage system, water supply and unique site features and any other permanent features, including a legend or key showing how the site plan meets the Bylaw or amendment proposed. (2 copies to be submitted)

## □Storm Water Report

Required for all applications abutting environmental areas, in Brooke, lands within the former Township of Sarawak and may also be required on other lands within the Township. It shall be a Report and Functional Drawing indicating on-site and off-site, pre and post development impact and including a plan for the control of water in the 100 year storm event, or other matters determined necessary by the Township (2 copies may be submitted)

#### □Water and Wastewater Service Report

Required for all applications in a water or waste water service area and including a plan for the proposed municipal service connection.

#### □Hydrology Study

Required for all applications for development requiring a Permit to Take Water under the Ontario Water Resources Act.

#### □Traffic/Transportation Impact Study

Required for all applications that propose a new or intensified land use with required access to a provincial, municipal or county road.

#### □ Agricultural Impact Assessment

Required for all applications within or adjacent to an agricultural designation, including a Minimum Distance Separation compliance review.

#### □ Market Impact Study

Required for all commercial applications proposing 50,000 sq. m of new commercial floor space, or the expansion of the existing commercial land use designation.

## Conservation Authority Regulated Areas

A report is required for all applications in cases where the property contains identified stream, shoreline or slope, located within a regulated area under Regulation 151/06 and a letter from the Conservation Authority that they support the proposal.

## Environmental Impact Statement

An EIS is required in all cases where an environmental feature is identified by the Official Plan or preliminary site survey.

#### □Noise and Vibration Study

A Study is required for any use that is expected to produce noise or vibration in association with its normal operation, these are generally associated with industrial operations, or where a Ministry of the Environment certificate of approval is required.

## □Environmental Site Assessment

An assessment is required where previous uses may have contaminated the site with chemicals or products considered hazardous to the occupant of the propose use. Generally associated with industrial operations, or where a Ministry of the Environment certificate of approval is required.

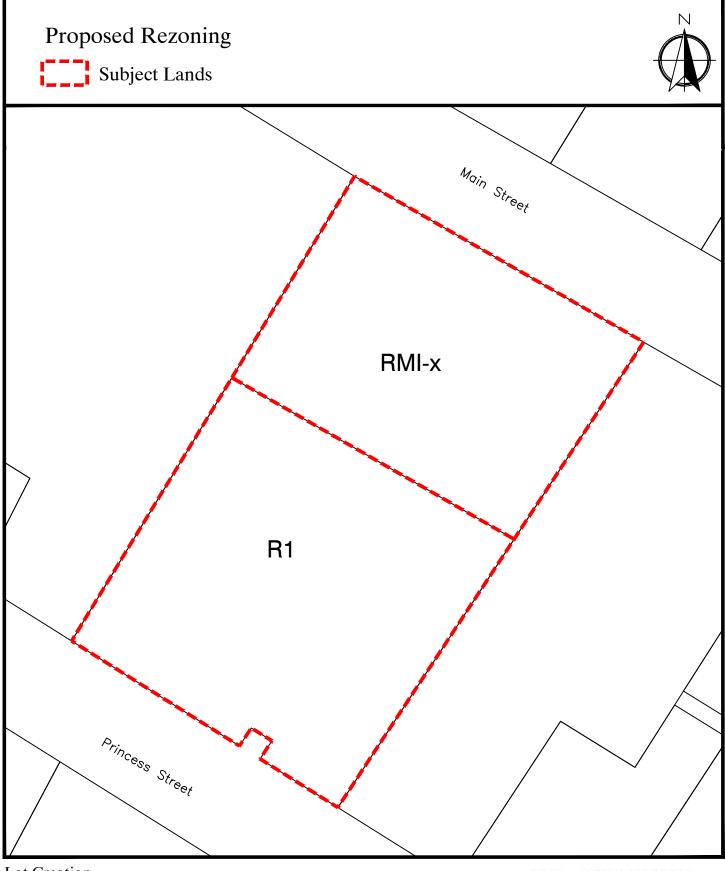

#### □Archeological Report

A Report is required for all applications in or near areas of archeological potential.

#### □ Draft Zoning Schedule

To be provided when a qualified professional has been retained to prepare application.

## Digital copies of all plans, proposed schedules and reports are required.
